

On October 1, 2013, Kensington Community Church called Pastor Darryl to be our Senior Minister. Since then, he has brought energy, laughter, and growth to our congregation. Darryl came to us after serving a number of congregations and colleges in Texas, Ohio, and Montana.

His thoughtful and passionate sermons make us think and inspire us to (as he likes to say), “to love God and neighbor by striving to make the world a better place in our little corner of it.” In Montana, Darryl worked with multi-faith partners to create a MultiFaith Coalition, bringing 14 different faiths together to meet monthly and share the more inspiring aspects of our religious traditions. This work led to Darryl’s development of a group called, “Love Lives Here.” This group held anti-racism, pro-diversity rallies in response to Neo-Nazi activity in the Flathead Valley Community.

Darryl and his two dogs live in the North Park area. And when he’s not at the church, he’s enjoying good books, great films, excellent music and the wonderful company of friends (usually over a cup of coffee or a glass of beer). He also loves to debate the finer points of STAR WARS and GAME OF THRONES. He looks forward to seeing you all at KCC.
