

**Mini-Grant Program**  
Ministry of Missions and Outreach  
Kensington Community Church

Proposals for 2016 will be continuously reviewed and approved on a first-come, first-serve basis until April 25 and must be completed by the end of the year.  
**Mail this form to KCC or put in Pastor Darryl's box.**

The purpose of the MMO Mini-Grant Program is to support efforts by member(s) of the church who feel inspired or called to address needs not currently served by KCC's existing programs. Mini-grants can be asked for up to \$200 and ought to go toward supplies and/or services beyond those available through the Church office. Recent mini-grants went to a church team that visited local shut-ins, and loan of chairs to a dive bar for performance of a play about urban displacement problems.

The Ministry of Missions and Outreach will review your application at its next meeting (first Monday of the month). If the concern is more urgent or if you want to discuss or explore possibilities, please contact Brock Allen, at [KCC@beabsa.net](mailto:KCC@beabsa.net) or (619) 282-3400, or Pastor Darryl at [Darryl@kensingtonucc.com](mailto:Darryl@kensingtonucc.com).

When your application is approved, the Church Office will notify you and issue a check. You will need to submit receipts on completion of your project or other appropriate documentation.
