

Inspired to Do Good Works but Need a Little Help? Apply for a Mission and Outreach Mini-Grant

KCC's Ministry of Missions and Outreach now offers a mini-grant program to support church members—individuals or small groups—who need funding to move forward with a project consistent with the Church's [vision and mission](#). The purpose of the MMO Mini-Grant Program is to support efforts by member(s) of the church who feel inspired or called to address needs not currently served by KCC's existing programs. Mini-grants can be asked for up to \$200 and should go toward supplies and/or services beyond those available through the Church office. Recent mini-grants went to a church team that visited local shut-ins, and loan of chairs to a dive bar for performance of a play about urban displacement problems.

The Ministry of Missions and Outreach will review your application at its next meeting (first Monday of the month). If the concern is more urgent or if you want to discuss or explore possibilities, please contact Brock Allen, at KCC@beabsa.net or (619) 282-3400, or Pastor Darryl at Darryl@kensingtonucc.com .
