

Director's Update-September 2017

On Monday, September 11th, the Church Chimes will begin ringing at 9:00 a.m. Children will come running, walking, or perhaps dragging their feet to KPS as the classrooms open for yet another school year. Some will arrive with great eagerness while others with a bit of trepidation. There will be smiles, laughter and tears. However, we assure you; all will soon come to know this is a fun and safe environment to be with their friends and teachers enjoying a brief day of work and play! The school will soon become known to each of our preschoolers as ..."My School".

School begins at 9:00 each morning and will end at noon. In October, our Lunch Bunch, Stay & Play program and Munchkin Music will begin. They will come T&W twice a mo. The littlest tykes, 2's, will arrive at 9:15 and depart at 11:45. Our fabulous teachers are ready and quite eager to begin their school year. Classrooms are sparkling clean and so inviting, awaiting our young student's arrival.

Welcome to all our KPS families, new and returning. We know this will be a great year for learning and developing those important preschool skills as well as having lots of fun getting know each other while making new friends. We look forward to all the exciting experiences in the months ahead! If I can be of any assistance in this experience or if you have any concerns or questions, please feel free to call, email or stop in the office.

Best Regards to all,

Ms. Connie, Director KPS
