

Minister's Moment

A New Life

From the mountaintops to the valleys.

From Gethsemane to Golgotha.

From Palm Sunday to Easter Morn.

We are on a journey of life.

*Today and everyday, reborn, renewed
with the Spirit of Christ.*

*Bearers of the Good News. Disciples of
the Living Christ.*

*Today, each ministers in the world, each
preaching and teaching the Gospel.*

Halleluiah, Christ has risen – risen in us!

No longer strangers and aliens, but sisters and brothers.

No longer lost and deserted, but found and embraced.

No longer alone and fearful, but together in love.

We are the now generation of disciples.

Now in Christ, now in community, now the church.

*We are church, we are The Church Universal – the New Life breaking
forth! Halleluiah!*

*Each a disciple, not a volunteer. Each a minister not a
worker.*

Each empowered, each gifted, each called. Halleluiah!
