

Open and Affirming Statement

We, the members of Kensington Community Church, United Church of Christ, declare ourselves an Open and Affirming congregation. Our spiritual foundation supports peace, justice, and equality as part of God's unconditional love. Inspired by and depending on God's grace, we intentionally strive to be open to and affirming of all. This means that we seek to include persons of any creed, race, ethnicity, gender, sexual orientation, gender identity and expression, political view, military status, mental or physical ability, age, economic situation, or family circumstance. We welcome all to share in the life, leadership, ministry, fellowship, worship, and blessings of Kensington Community Church. We pledge to continue expanding our views and attitudes of what it means to share with God in the unfolding of being Open and Affirming at Kensington Community Church.
